REQUEST PURSUANT TO THE DIGITAL MILLENNIUM COPYRIGHT ACT 1998 (DMCA)

Dear Sirs,

We write further to our correspondence dated 17 May 2022 (attached) (**'Our Letter'**).

Our Letter refers to persistent infringement of our client's copyrighted games on Roblox by a group called Estatic Studios. We have since discovered another game which infringes the copyright in our client's games Weight Lifting Simulator 2, Weight Lifting Simulator 3 and Muscle Legends (details of which are referred to in Our Letter). We believe that this game has been published by the individuals responsible for the Estatic Studios group.

You can view the infringing game at the following link:
<https://www.roblox.com/games/7033249035/Weight-Lifting-Simulator-3>

The game at the link has taken artwork, code and assets from our Client's games without the consent of our Client, who is the copyright holder, and therefore the publication of this game amounts to copyright infringement.

The infringing game is published by a group called "17_Qv Studio". There is evidence of a link between the two as the owner account "Lo_ok" (<https://www.roblox.com/users/879879423/profile>) is also the owner of other "Estatic Studios" groups, "Estatics" (<https://www.roblox.com/groups/5617490/Estatics#!/about>) and "Estatic Networks" (<https://www.roblox.com/groups/13730430/Estatic-Networks#!/about>). Furthermore, the same developers are credited on each group. The account "Mark" is the admin on the 17_Qv Studio group and is also a developer for the Estatic Studios group.

The purpose of this correspondence is to request that:

1. The infringing game is taken down pursuant to the Digital Millennium Copyright Act 1998 ('DMCA') and in accordance with Roblox Terms and Conditions.
2. The accounts and individual(s) responsible for the groups/infringing games are investigated in the context of the Roblox repeat infringer policy.

We enclose signed declaration on behalf of our client. Should you require any further information, please do not hesitate to contact us.

Kind regards

Megan Kerr
